MEETING NOTES

New INFC Coaches Orientation:

INFC's new coaches orientation is geared towards any new head and/or assistant coach within the INFC. Directors will walk coaches throughout the rulebook hitting on topics and best practices for items such as team drafts, weigh-ins, practice requirements, sideline personnel and many more. From this meeting, coaches should gain a general knowledge of what to expect and who to contact on any given practice or game day through their youth football journey.

INFC Mighty Mite (1st & 2nd Grade) Coaches Orientation:

Mighty Mite Orientation will guide 1st and 2nd grade coaches through the differences of 8-man football within the Indian Nations Football Conference. Topics of discussion will include offensive formations, defensive formations, stripe and player rules, on-field coaching and individual scenarios. Coaches will be able to ask questions and participate as needed.

General Coaches Meeting:

The general coaches meeting will be broken down into various parts. Speakers will cover topics covering new NFHS & INFC on-field playing rules, concussion and player safety
