Playoffs will be scheduled following the end of the regular season. The top two teams in each division will advance to the playoffs. If there is only one division the top four teams will advance. If two teams have equal records at the end of the regular Conference play, the team that won over the other will be considered to have the higher league standing. In the event three or more teams are tied with identical records and no winner can be determined as stated previously, the advancing team shall be determined by totaling the margin of points for each tied team in all Conference games (or division games if two or more divisions). The advancing team shall be the team with the greatest number of marginal points. Any remaining playoff spots for the remaining tied teams shall be determined by the winner over the other during the regular season as above. The maximum number of marginal points per game shall be eight points. No team shall add or subtract more than eight points per game. The maximum number of marginal

points for any games that went into overtime shall be plus or minus one point. In the event two teams are tied on marginal points, the advance shall be the team that won over the other during the regular season. If more than two teams are tied on marginal points, the advancer shall be determined by coin toss at a time and place to be determined by the Commissioner. Any remaining playoff spots for the tied teams losing the coin toss shall be determined by which team won over the other during the regular season.

A post season tournament will be offered for teams not making the playoffs. A gate fee will be charged at the playoffs and the post season tournament. The post-season tournament shall be a double-elimination tournament if time allows.

Awards will be given to the Champion and the Runner-Up in the playoffs and Post-Season Tournament.

Should a coach be ejected during playoffs/tournament, said coach shall not be allowed to coach or attend the remaining games for the rest of the playoffs/tournament.
